CLERK: 26 ayes, 1 nay, 22 not voting.

PRESIDENT: The amendment is adopted.

CLERK: (mic inactivated) . . . by Senator Cavanaugh found on page 1221 of the Legislative Journal.

PRESIDENT: Senator Cavanaugh.

SENATOR CAVANAUGH: This does the same thing, changes that language from the formula system to the dollar amount system.

PRESIDENT: Further discussion? The question is the adoption of this Cavanaugh amendment. Record your vote. Please vote. Record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: That Cavanaugh amendment is adopted.

CLERK: Now, Mr. President, I move to amend LB 198 and reduce the dollar amount from \$110 to \$96. Signed, Herbert J. Duis.

PRESIDENT: Senator Duis.

SENATOR DUIS: Mr. President, I would suggest that this be held until Monday, until we have a full compliment here and this be discussed. I have a slight feeling that we may lose this entire bill when it gets over on Final Reading. I am so in hopes that we will be able to hold this bill on Select File for this specific amendment until such a time so that we might have a proper discussion of it, because I don't want to lose it and have this bill go back to \$89, instead of the \$96 we had agreed . . . or rather that had been suggested by the committee. I think we're in difficulty. I leave the motion up there but I would ask unanimous consent to have the bill held until Monday.

PRESIDENT: You mean the motion held until Monday?

SENATOR DUIS: That is the bill on Select File, yes, and the motion.

PRESIDENT: Well . . . but I think you made a motion. Are you . . .

SENATOR DUIS: I'm asking to have it held until Monday, sir, by unanimous consent.

PRESIDENT: You're asking for unanimous consent to bracket the bill until Monday?

SENATOR DUIS: Right.
